

AURA Annual Appeal 2014

Dear Friend of AURA,

I am writing to ask you to buy a day of AURA's future.

In 2015, a full day at AURA will cost \$82 more than we are sure we can raise right now.

Every day that AURA is open we are helping refugees begin new lives here in Canada. Refugee sponsors are well equipped to help refugee families every day of the year. More and more people learn about the plight of refugees and get involved to help.

AURA is a donor-dependent organization. It thrives...no survives...because of Friends like you are willing to invest in our mission and in our vision.

Your generosity guarantees a future of:

- Refugees from around the world having a chance at a new life.
- Refugee Sponsors having the tools to help and support refugees.
- Our refugee programming growing to meet changing needs.
- More Canadians becoming aware of refugee concerns.

In short, a community of people working together to help those who need it most!

A tall order? Perhaps. But this future is being nurtured and grown at AURA every single day.

This future is well within reach, but only with your help by buying a day of AURA's future.

Please buy a day of AURA's future; your generous support will change the life of a refugee.

Blessings,

Ian McBride
Executive Director of AURA
